Deric Shannon, a founding member of the North American Anarchist Studies Network, has co-edited and co-authored books including *Contemporary Anarchist Studies*; *Political Sociology: Oppression, Resistance, and the State*; and *The Accumulation of Freedom: Writings on Anarchist Economics* (AK Press 2012). Shannon has also published widely in journals such as *Theory in Action* (of which he is the Associate Editor), *Sexualities*, *Interface*, and *Peace Studies*. He likes music, reading, writing, and long walks in his house.
